WORK EXPERIENCE

Graphic Designer, [Freelance](#)

Dec 2008 - Current

Freelance projects and skill development. Current client has me working on an identity package and e-commerce website.

Designer, [RealNetworks](#)

Apr 2006 - Dec 2008

Provided end to end web and print design support for web properties: RealArcade, Rhapsody, RealTime and RealGuide while working closely with marketing, product, development and editorial teams. Also designed promotional and merchandising graphics, created online ad and email campaigns, built functional wire-frames and web pages, and provided print communications when needed.

Graphic Artist, [Four Seasons Design](#)

Jan 2003 - Jun 2006

Designed young men's, and boy's screen-printed apparel featured in major department stores, including Walmart, Kohl's, Fred Meyer, Mervyns and JCPenney. Also designed, built and maintained apparel websites, including rudeboyz.net, roguesgallery.com and atensiondisorder.com.

Web/UI Designer, [Freelance](#)

Nov 2001 - Jan 2003

Freelancing work that included contract jobs from The Creative Group:

Web Designer, Sharebuilder.com - Banner ads, email promos, webpage mock-ups (10/1 - 11/01)

UI Designer, Spinoza Technology - Powerpoint presentations, mobile device icons (6/1 - 7/01)

Designer, [Infospace Inc.](#)

Oct 1999 - Feb 2001

Provided project managers, developers, and co-branding team with layout support, prototypes and content creation. Produced animated GIF banner ads for the ad team, provided UI mockups and icons for the mobile and wireless teams. Also developed miscellaneous print materials for the marketing team.

UI Designer, [Union-Street.com](#)

Feb 1999 - Oct 1999

Designed the logo, identity materials and company website, and then designed the user interface of Union-Street's community web tool interface: webpage creator, email, calendars, forums, newsletters, and address book.

Graphic Artist, [Pacific Trading Cards](#)

Apr 1996 - Sep 1998

Designed and produced professional baseball, football, and hockey trading cards. Other duties include: scanning slides, color correcting, preparing full color proofs.

EDUCATION

Web Master Course Certification, Edmonds Community College, 9/98

Associate of Applied Arts Degree, Art Institute of Seattle, 6/89
